Project Description

The Lindner-Depa joint venture was able to secure a major contract for the expansion of several metro stations in Dubai. Among others, Lindner extended the following metro stations: Burjuman, Al Rigga, Mall of the Emirates, Nakheel Harbour & Tower, Stadium, Palm Deira and Al Ghubaiba. Lindner produced, supplied and installed 53,000 m² of customised ceilings for this project! 30,000 m² of the ceiling systems were finished with ARTline, a special powder coating process for interior and exterior ceilings.

LMD-E 200
Powder Coating
ARTline

General
