

E.ON Ruhrgas AG

Essen, Germany

Project Description

The E.ON Ruhrgas AG is currently building the new administration building on the ground of the former Gruga stadium in Essen. The complex includes two 63-meter high office buildings on 15 floors and two low-rise buildings with 5 floors. Lindner heating and chilled ceilings provide a comfortable indoor climate throughout the building. Lindner also delivered and fitted floor-, partitions-, dry lining-, lights-, lighting- and door systems.
