

Company Profile – Lindner Group

The Lindner Group is Europe's leading company for interior fit-out, facade construction and insulation engineering with more than 45 years experience in 'Building New Solutions.', the development and implementation of individual, high-quality project solutions.

With a workforce in excess of 5,500 worldwide, Lindner manages production plants and subsidiary companies in more than 20 countries from its head office in Arnstorf, Germany.

Since it was set up in 1965 by Hans Lindner, his aspiration has been to offer clients the seamless construction of an entire building. Today, 'Concepts – Products – Service' makes up the most comprehensive range on the market to meet all possible project requirements.
