

The Police Headquarters in Lwówek Śląski

Löwenberg, Poland

Project Description

The Police Headquarters in Lwówek Śląski is a modern public utility facility consisting of four buildings: an administrative building, a building of a hidden shooting range, a garage building and a cynological building. Lindner Polska carried out the work comprehensively including the facility's equipment with specialized audiovisual systems in interrogation rooms and isolation rooms, an innovative design and shooting range equipment and a radio tower with a height of 30 m.
