

Industrial plank

3-layer parquet plank with tongue and groove system

3-layer prefabricated parquet plank with tongue and grooving system for full-surface bonding on conventional screed or dry screed systems. The strip design of the board is based on the industrial designs of the raised access floor coverings. With the same look, it is possible to combine conventional screed surfaces with raised floor.

- Parquet layers from our own production with highest quality
- Combination possibilities with our raised access floors
- Real wood layer
- Suitable for underfloor heating
- Further types of wood and designs upon request

Examples for areas of application

Public Areas: Entrance Areas, Escape Routes

Work: Common Rooms, Facilities for Meetings, Conventions and Conferences, Stage and Studio Rooms, Office Buildings, Assembly Rooms

Film and Recording Studios

Education: Libraries, Research Rooms, Universities and Higher Education Buildings, Schools

Businesses, Recreation and Culture: Banks, Museums and Galleries, Sports Halls and Gymnasiums, Places of Assembly

Hotels and Gastronomy: Restaurants and Catering Facilities, Hotels and Resorts

Public Institutions: Courts and Correctional Facilities, Town Halls, Government and Administrative Buildings

Technical details

Technical data

- **Wear layer thickness:** 4.0 mm
- **Thickness:** approx. 15 mm
- **Length:** 1,200 mm
- **Width:** 150/200 mm
- **Building class:** Dfl-s1
- **Thermal resistance:** 0.13 W/(mK) - suitable for floor heating
- **Emission class:** E1

Surface coating lacquered

- **Build-up:** UV curing lacquer
- **Variants:** lacquered colourless
- **Gloss level:** matt
- **Slip resistance class:** R9
- **Durability performance:** suitable for object use
- **Types of wood:** oak, smoked oak
- **Wood grading:** We use a wood grading with typical structure and play of colours, partly containing small firmly integrown branches

Surface coating oiled

- **Build-up:** 2-times hard wax oiled
- **Variants:** oiled colourless

- Gloss level: matt
- Slip resistance class: R9
- Types of wood: oak, smoked oak
- Wood grading: We use a wood grading with typical structure and play of colours, partly containing small firmly integrown branches
