

ADD.VANTAGE
VISUAL COMFORT

„DAYLIGHT – BEST VIEWS INCLUDED.“

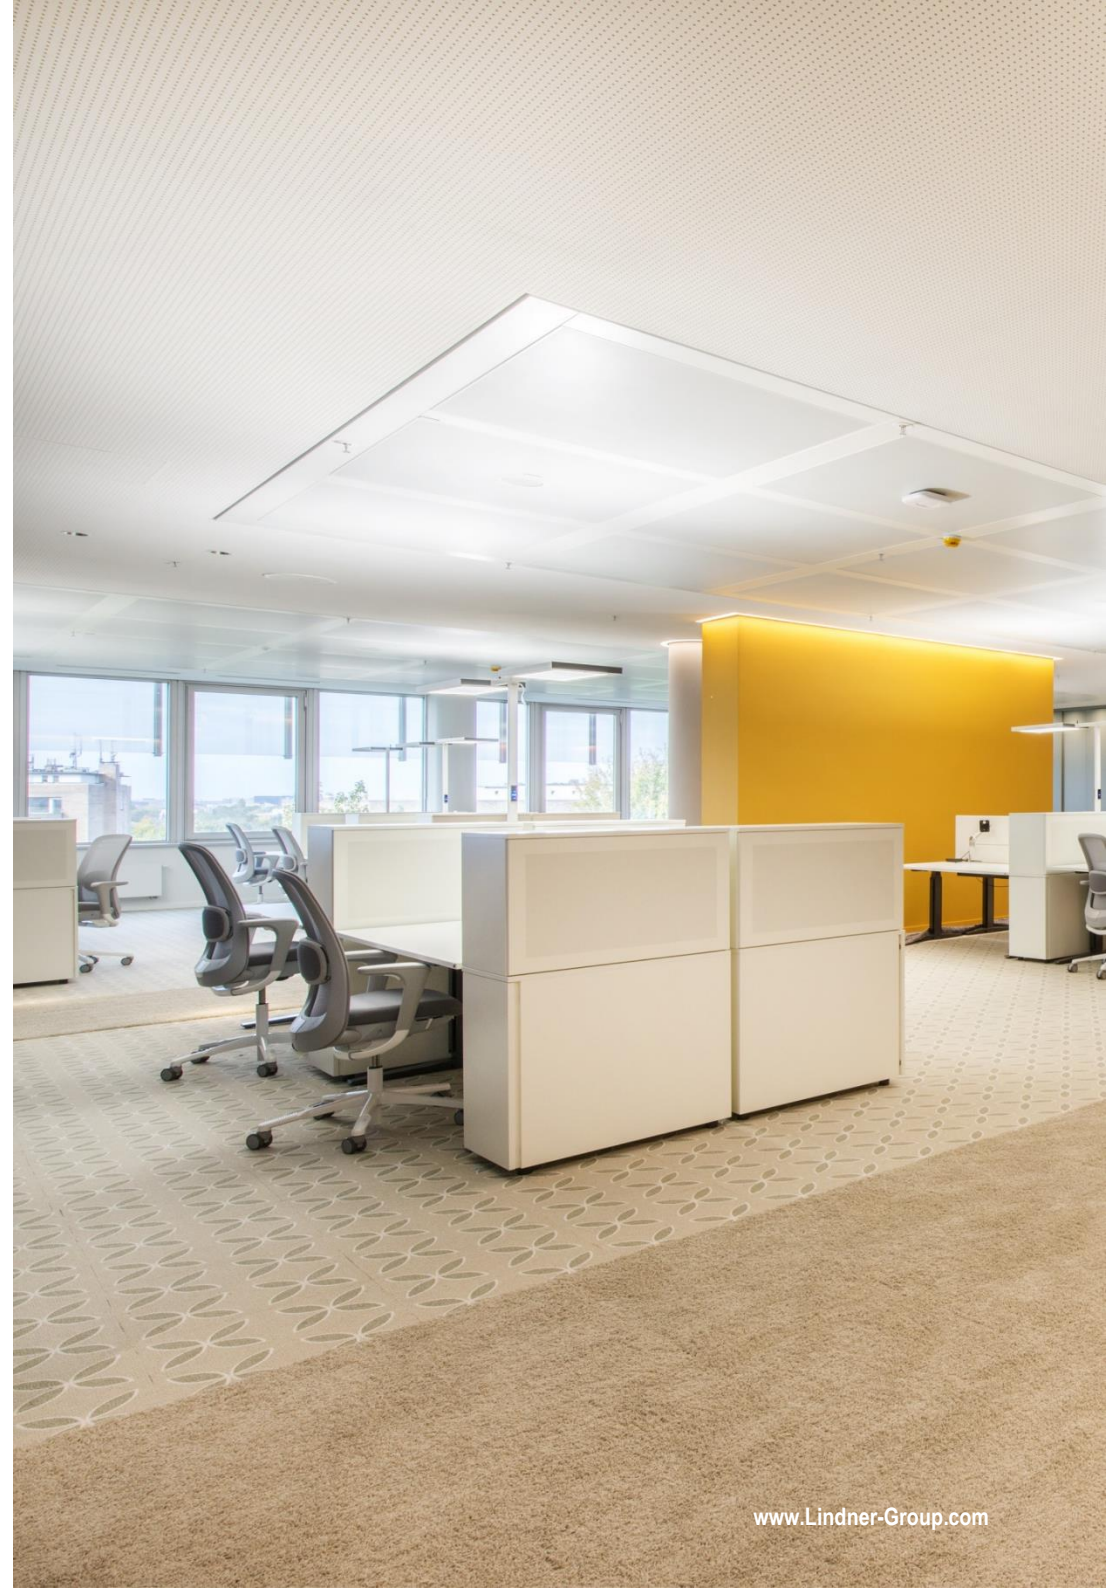

A modern office interior featuring several workstations. Each workstation consists of a light-colored wooden desk, a black ergonomic office chair, and a computer monitor. The desks are separated by tall, light green acoustic partitions. The office has large windows on the left side, providing natural light. The ceiling is white with recessed lighting. A potted plant is visible on the right side of the image.

ADD... | VISUAL COMFORT INFLUENTIAL FACTOR VISUAL PERFORMANCE

More than 80% of mental fatigue is due to the processing of visual performance!

ADD... | VISUAL COMFORT DGNB CRITERIA

- + availability of daylight throughout the building
