

### Areas of application

Installation in open space offices or buildings as:

- Conference rooms / meeting points
- Single offices / think tanks

### Systems used

- Glass partition - Lindner Life 620

### Combinable Systems

- Timber - / Metal partition - Lindner Logic 100
- Aluminium door frame glass or wooden door leaf
- Metal post cap ceiling

### Systembeschreibung

Lindner Cube is a self-contained room system without any contact to walls or ceilings. The variant Lindner Cube 620 captivates as fully glazed construction by its maximum of transparency. If higher sound insulation is requested, the Cube 620 can be combined with other Lindner partition systems due to its modular construction and offers you maximum flexibility.
