

# **Frankfurt Rhein Main Airport, Terminal 1**

Frankfurt, Germany

# Project Description

Lindner has been a reliable partner for the interior fit-out of the Frankfurt Airport for many years. Due to the high contract volume we operate with a permanent team to carry out works. Lindner fitted, for example, a customized heated and chilled ceiling system in terminal 1, which meets highest requirements and was designed especially for this purpose.

- **Doors**

Wooden doors

- **Floors**
