# Arteveldehogeschool Campus Kantienberg

Gent, Belgium

# **Project Description**

The university campus located in the very center of the vibrant student city Gent is fit to house up to 3.700 students each year. From the initial planning of this architectural pearl, architect and builder were thinking of innovating and eco-friendly solutions. For this reason they opted for Lindner's environmentally friendly raised floors. Lindner also carried out the entire interior fit-out.
