

adidas Laces - World of Sports

Herzogenaurach, Germany

© Werner Huthmacher, Berlin

Project Description

As part of the "World of Sports" the new Laces company building comprises seven levels and offers space for 1,700 employees from the Marketing and Operations departments. Free-floating walkways traverse the atrium and connect the departments. Lindner carried out extensive dry lining works, fitted metall grid ceilings, wooden and tube frame doors as well as customised glas partition walls and floor coverings.

Doors for Partition Systems

- **Doors**

Wooden doors
