

Frankfurt Rhein Main Flughafen, Terminal 1, RBA 11

Frankfurt, Germany

© Lindner, Arnstorf (D)

Project Description

Lindner, being a long-time business partner of Fraport AG, has been permanently commissioned with extension works on Frankfurt Airport. Lindner furnished the public areas RBA 1 and 2 of Terminal 1 with shop façades and chilled Swing-Down/Slide ceilings with powder-coating on their visible sides. Further major contracts are being negotiated.
