

University of Television and Film Munich

Munich, Germany

© Lindner, Arnstorf (D)

Project Description

The construction of the University of Television and Film Munich took four years, from 2007 to 2011. It comprises libraries, lecture and seminar rooms, depots, administrative offices, showrooms, shops, TV and film studios, cinemas, auditorium and several equipment and telecommunication rooms. Lindner furnished the cinemas and the auditorium with FLOOR and more® raised floors and sound absorbers for ceilings and walls that cover large parts of the room.
