

Drykorn Partner Stores

Berlin, Germany

Project Description

The fashion label Drykorn, founded in 1996, turned into an international successful brand within a few years. In 2008, the company opened its first flagship store in Berlin's district Mitte. Lindner reconstructed the aforementioned store and two other affiliated Drykorn stores in Berlin. Furthermore, Lindner revarnished the already existing façade of two Drykorn shops and provided them with shop windows and front doors which Lindner also installed.
