

Max-Planck-Institut für Chemie (MPI C)

Mainz, Germany

 **Lindner**

© Lindner, Arnstorf (D)

Project Description

The new Institute building was edified on the campus of the University of Mainz. The administration and other common areas are located on the ground floor. The upper floors comprise different departments with office areas and laboratories. Lindner fitted 350 frameless fanlights, about 13.300m² of plasterboard partitions as well as acoustic wall cladding and wooden doors.
