

Kassel-Calden Airport

Calden, Germany

© Lindner, Arnstorf (D)

Project Description

The Kassel-Calden Airport is situated northwestern of Kassel city and originally opened in 1970 as commercial airport. It was now rebuilt as a regional airport. Lindner was responsible as general contractor for the interior fit-out of the main buildings at the airport: the new terminal, the fire department, the tower, the multi functional building and the general aviation building.
