

Königstadt-Carree

Berlin, Germany

© Lindner, Arnstorf (D)

Project Description

The Königstadt-Carree is situated close to the center of Berlin-Friedrichshain. The complex comprises four buildings: the 21 storey high office tower, a 9 storey high connecting building, an atrium and a hotel building. Lindner was responsible for the top quality interior fit-out for large areas of the 80 metres high office tower. The different floors were designed individually for each tenant as part of the tenant fit-out.
