

Hospital Nordstadt, section 2a

Hannover, Germany

© Lindner, Arnstorf (D)

Project Description

The hospital Nordstadt comprises of three sections. The section 2a combines the operating theatres on the first floor with the operating theatres of the surgery to a central operating theatre. A 5storey high building will be added to the new building of the surgery. Lindner carried out the interior fit-out works of the semibasement as general contractor.
