

Brücke 7 Rostock

Rostock, Germany

© Lindner, Arnstorf (D)

Project Description

A new office building arised in the city port of Rostock in spring 2012. One part of this building is occupied by the PMR GmbH - BRUECKE 7. The ground floor is designed for a maritime, gastronomical usage, the remaining areas in the first floor are rent as offices. Lindner implemented at this project the high quality hollow floor system FLOOR and more®.
