Project Description

The Emblem Hotel is an independently owned property with 59 bedrooms, a luxurious spa with a rooftop terrace overlooking the Prague castle, a private members club and the well-known George Prime Steak steakhouse restaurant. The hotel means to make its guests feel at home while leaving no wish unheeded.

Lindner Mobilier s.r.o. contributed joinery works to this project. These joinery works include both fixed and mobile furniture in the hotel's rooms and public areas, as well as wall cladding in public areas.
