Coffs Harbour Justice Precinct

Coffs Harbour, Australia

Lindner

© Adrian Boddy

Project Description

The four-storey courthouse is 50 per cent larger than the city's old courthouse and is equipped with world-class facilities to make hearings more efficient and secure. The $73 million construction of a courthouse and police station, located on the site of the old Forests New South Wales depot, makes Coffs Harbour the largest justice precinct in regional New South Wales. Lindner supplied baffle ceilings type LMD-L 601 to this project.
