Hotel am Fischmarkt

Rheinberg, Germany

Lindner

© JOI-Design GmbH

Project Description

The historic ambience of the Rheinberg Fish Market saw an extensive revitalisation of a traditional building ensemble. In its course, the ensemble´s former gastronomy and business areas had been gutted completely and prepared for their future use as the "Hotel am Fischmarkt". Now, the three-star-superior hotel offers business travelers, tourists and all other guests high comfort in a traditional environment of 37 rooms.
As a part of the revitalisation, Lindner Mobilier s.r.o. was contracted with comprehensive carpentry works. This included all free-standing and fixed furniture and wooden claddings for walls and counters. The scope of works also included the production of luminaires that went with the carpentry works.
