

No 62 Buckingham Gate

London, United Kingdom

Project Description

No 62 Buckingham Gate is a 11 storey commercial building with retail and a public realm at the ground floor. Situated in central London, only a short walk from Buckingham Palace, it offers 13,000 sqm of space in total. Lindner Facades was responsible for the facade of this project, including production, project management and installation. This complex 3D unitised curtain wall features eleven fold lines, creating various inclinations over the total area. Furthermore, the facade visibly sails at the first and roof levels. Other unique facettes of the project are a curved entrance glazing, steel & glass canopies to two elevations and a terrace glazing.
