

# Walt Whitman Mall

Huntington Station, United States

# Project Description

The sky is the limit. The Lindner Baffle Wall Cladding with custom faux wood graphic and curved suspension system was used for sun shading as well as to control natural light throughout the mall in White Plains, New York.

## General

|                         |                                                          |
|-------------------------|----------------------------------------------------------|
| <b>Building Type</b>    | Shopping Centres, Industrial and commercial construction |
| <b>Company Division</b> | Lindner USA Inc.                                         |
