# Project Description

Combine your ceilings with light fittings installed within, or above, the mesh infill panel or extend them to incorporate Plafotherm® Heating and Cooling Technology - Expanded Metal Ceilings always give you the opportunity of creating something special. You can be certain that your Lay-In, Swing-Down or Drop-Slide solution is just as maintenance-friendly and flexible as other Lindner Ceiling Systems.

## General

|                         |                        |
