Atrium-Gerland--Pôle-Emploi

Lyon , France

Lindner

© Lindner, Arnstorf (D)

Project Description

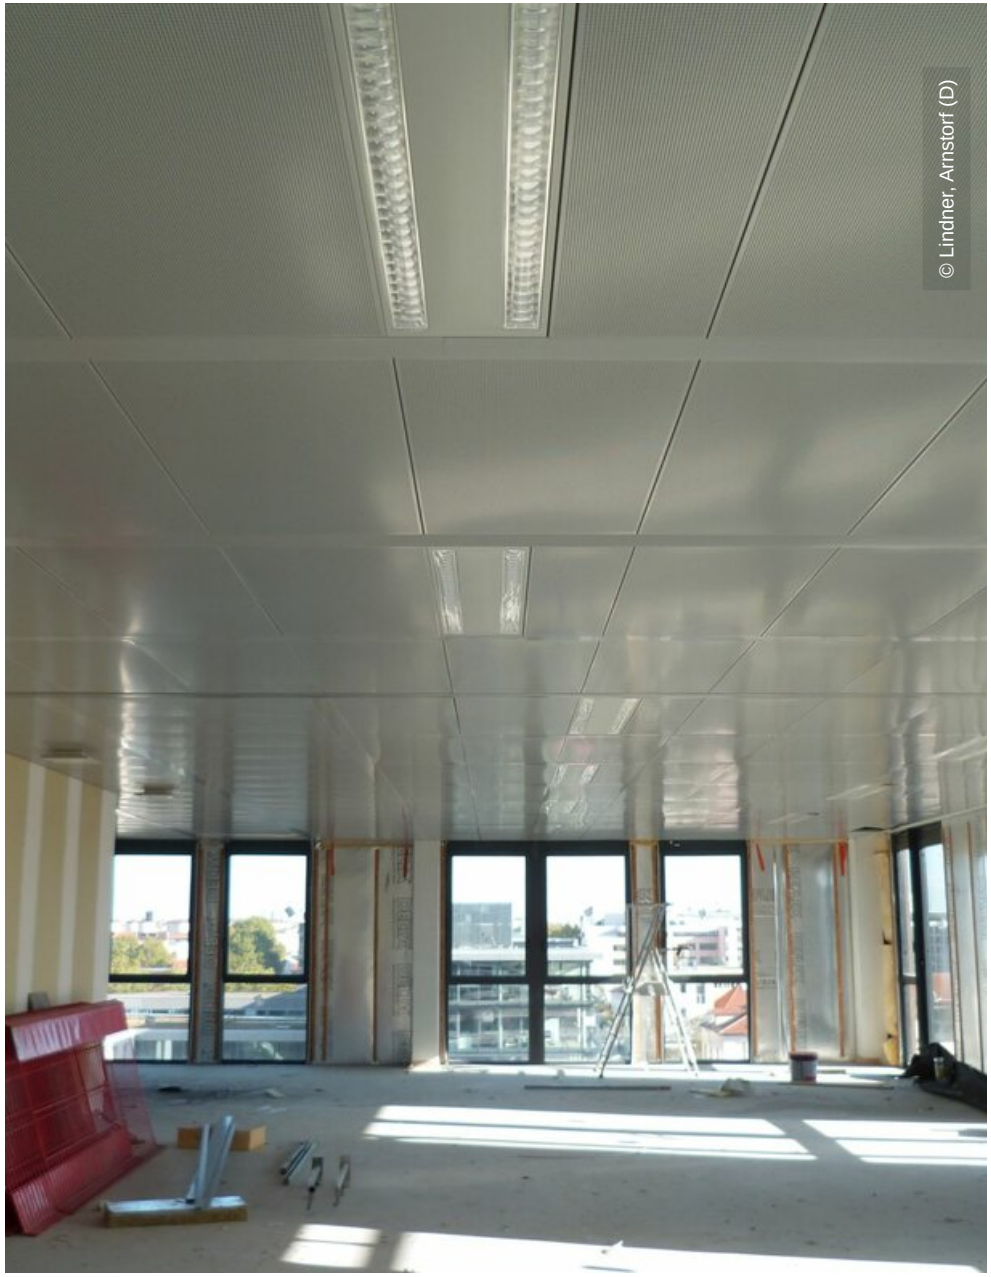

The 7-storey, 8,500 m² building is home to the French national employment agency Pôle Emploi. It is also the first low energy house of that size situated in Lyon and certified to French energy standards PEQA-BBC. Our Plafotherm® Heated and Chilled Metal Ceilings fully embrace the concept by naturally regulating the room temperature.
